Mr. John Levin
Levin Capital Strategies, LP
595 Madison Ave., 17th Floor

Dear John:

Thanks for sending me the 100 trillion dollar note from Zimbabwe. Fifteen years ago (before Mugabe), they had an absolutely normal currency. This note represents the foreseeable consequence of unlimited government spending. Someone should send one of these notes to every member of the U.S. Congress.

Sincerely,

A handwritten signature in dark ink, appearing to read "Bernard", with a stylized flourish at the end.
